

ADEWALE SUNDAY GARRETH

Civil Site Engineer | Full Stack Web Developer

Jabi, Abuja, Nigeria · 08167339703 · Adewalegarreth1@gmail.com
GitHub: github.com/seangarreth · Portfolio: portfolio-woad-six-24.vercel.app

PROFESSIONAL SUMMARY

Dedicated and results-driven Civil Site Engineer with over 3 years of experience in construction supervision, structural implementation, project coordination, and quality control. Skilled in managing engineering projects from foundation to completion while also possessing strong experience in full stack web development, deployment, and digital project management. Passionate about combining engineering excellence with modern technology solutions to deliver impactful projects physically and digitally.

CORE COMPETENCIES

Engineering Skills

- Site Supervision
- Structural Drawing
- Structural Rebar Detailing
- Quantity Surveying
- Construction Planning
- Project Coordination
- Masonry Works
- Painting & Screeding
- Quality Control & Safety Compliance
- AutoCAD Drafting

Technical Skills

- HTML
- CSS
- JavaScript
- React.js
- Python
- GitHub
- Render Deployment
- Vercel Deployment
- Replit
- PostgreSQL
- Cloudinary Integration

PROFESSIONAL EXPERIENCE

Civil Site Engineer

Independent Engineering Projects | Abuja, Nigeria 2021 – Present

- Supervised construction projects from planning stage to completion.
- Coordinated artisans, suppliers, and project timelines for effective project delivery.
- Managed structural implementations while ensuring compliance with engineering standards.
- Conducted measurements, inspections, and quality assurance procedures on project sites.
- Successfully supervised overhead tank construction and healthcare infrastructure projects.

WEB DEVELOPMENT PROJECTS

Full Stack Web Developer — Freelance & Client Projects

EXPAT'SNEST Ltd

Developed and deployed a professional relocation and housing solutions platform with responsive user interface and media integration.

<http://expatsnests.com>

G.S.S JIWA Class of 2012 Alumni Platform

Designed and deployed an alumni association website featuring announcements, gallery systems, member engagement, and administrative management.

<http://Gssjiwaclass2012.com>

Personal Engineering & Tech Portfolio

Designed and deployed a professional portfolio website showcasing engineering projects, web development skills, and technical experience.
